

PLATFORM OF THE Independent Home-Rule PARTY.

Adopted in Island Convention in Honolulu, H. I. June 7, 1900.

PREAMBLE.

"We believe that all governments founded on an independent basis should be assured of freedom without oppression. We believe in equal rights and freedom for all the people.

"We believe man was born with a right to be independent and that every person is equal in the eye of the law. We believe that he is endowed with all the privileges of life, liberty and the right to choose that which will contribute to his best advantage. We believe in protection against suppression. We believe that we should strive to secure equal rights for the people, by the people and for the people.

"Equal rights for the people," is the motto adopted in the platform.

"The belief of the independent party is that the successful candidates in the legislature of the Territory of Hawaii should strive in every way to secure the consent of the congress of the United States to make a state of the Territory of Hawaii and pledge ourselves to support all good and equal provisions that either the republican or democratic parties of the United States may see fit to enact.

"We further pledge ourselves to support that political party in the United States that will work to make Hawaii a state.

"We intend to strive in every way possible to secure from the United States benefits and privileges for the natives and other citizens alike who will work together for the good of the country, regardless of color. We also intend to strive toward the end that our representatives shall formulate the best laws for the people.

"Our legislators should strive to obtain homesteads for American citizens of the Territory of Hawaii out of the lands that have been taken over by the United States.

"They should also strive to set aside an appropriation for the payment of just claims or damages by fire, caused by the burning of Chinatown in Honolulu and other places by the board of health in connection with the suppression of bubonic plague in 1900.

"They should further strive to encourage education, industrial pursuits, farming, road making, railroads and both foreign and local commerce that will redound to the advantage of the country.

"We stand opposed to monopolies, to any attempt at a restriction of the voting privileges of natives or citizens who think as they do, that might be attempted later. We stand opposed to the heavy taxation of the people, the restriction of the jury rights of the natives and to all other restriction of the rights of the people.

"We declare that labor, other than by contract, on government work either mechanical or industrial, shall not exceed eight hours a day.

"Labor on government contracts or otherwise, either direct or indirect, shall be performed by citizens of the Territory of Hawaii.

"We pledge ourselves to resist the furtherance of trusts in the Territory of Hawaii.

"We are pledged to earnest and unceasing effort to secure for all those persons imprisoned by the martial law rule of 1895 and by sentence of the military commission of 1895 such financial remuneration as is their just due."

The above is the correct PLATFORM OF THE INDEPENDENT HOME RULE PARTY.
